DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

IN THE SPECIFICATION:

In the brief description of the drawings on page 8 of the specification, line 19, replace the term "FIGURE 6 depicts a flow diagram" by -- FIGURES 6A-6B depict flow diagrams --

Allowable Subject matter

3. Claims 1-43 are allowed.

4. The following is an examiner's statements of reason for allowance:

Based on the decision of the board of patent appeals and interferences, claims 1-43 are allowed. The above mentioned claims are allowable over the prior art of record does not appear to teach or render obvious the claimed limitations in combination with the specific added limitations as recited in independent claims and subsequent dependent claims. The prior art of record fails to teach or suggest a method and system for centrally managing plural network clients interfaced with a network host comprising

initiating a login script at a network client wherein a login script calling a login routine associated with the network host that operationally manages the configuration of the network client, installing a start-up routine with the login routine and using the startup routine to determine an operating system of the network client and managing configuration of the operating system of the network client with the startup routine according to the operating system of the network client [see Decision on Appeal – Paper Dated 6/22/2006, Pages 3-6].

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Philip B. Tran whose telephone number is (571) 272-3991. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

7. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
